DEDICATION

I dedicate this work to God Almighty and to my father Shashi Bhushan Choubey for sponsoring me throughout my stay in Nilamber Pitamber University.

ACKNOWLEDGEMENT

My greatest gratitude goes to God Almighty, the infinity of goodness, from whom every good gift comes, for the gifts of life and knowledge and who permitted the success and completion of this report.

I also express my profound gratitude to my father Mr. Shashi Bhushan Choubey and my brothers Chaturvedi Dewashish and Abhishek Choubey and brother's wife Shagoon Gurtata , whose prayers and support went a long way in the success of this project work and during my course of study in NP University. Not forgetting the woman I call my mother Late Tara Wati Devi

I also want to express my gratitude to all professors and staff in the department of chemistry; whose efforts in producing great leaders of tomorrow will never be in vain. Particularly I express my gratitude to my supervisor, Dr. S.K Mishra, who made this project work a success through his encouragement, patience and support.

My gratitude to my friends and my well wishers, for their encouragements and prayers during this research project work.
