CONTENT

Chapter 1 - introduction of copper ore deposit.

1.1 chief ores of copper with
Chemical composition.

Chapter 2 - 2.1 regional geology of Singhbhum
Copper belt.

2.2 regional geology of Khetri
Copper belt of Rajasthan.

Chapter 3 - distribution and mode of occurrence
Of copper ores.

Chapter 4 - Genesis of copper ores.

Chapter 5 - prospecting and exploration of
Copper ore deposit.

Chapter 6 - Beneficiation of copper ores.

Chapter 7 - use of iron ores.

Chapter 8 - conclusion.

Chapter 9 - references.
