ACKNOWLEDGEMENT

I wish to acknowledge with thanks, the generous and helpful comments and suggestions from my colleagues and my teachers, which were too valuable in performing and completing this project. It is an immense pleasure to acknowledge my parents, colleagues and my teacher; especially **Dr.Sharwan Kumar**, who provided me opportunity to present the project on topic **LASER** I must thank almighty God for his grace and my parents for their unquestioning encouragement and support without which this work would not be possible.

At last but not the least; I would like to express my sincere thanks to all of them who's direct and indirect support has brought this result to be appreciable.
